

REMARKS

This amendment is filed concurrently with the Response to Notice of Incomplete Nonprovisional Application mailed on June 16, 2004.

A utility patent application and drawings were filed on April 1, 2004. The inventors identified subject matter with respect to which they seek patent rights, but failed to include claims in the application as filed. It is respectfully requested that the claims provided in this Preliminary Amendment be entered, to set forth an initial, original set of claims in application, and that a filing date be established for the application.

Done at Kent, County of King, State of Washington, on the 13th day of August, 2004.

Respectfully submitted,

PHILIP PADILLA RUIZ
